- Snacks for bus Peanut Free
- Capped beverages
- Great Attitudes

What is the Fan Bus? The Fan Bus is a comfortable charter bus that parents, family and friends can ride to competitions. The bus picks up and returns you to the Waconia High School parking lot. The bus arrives in time to watch the first Waconia group of the day and returns to Waconia after finals are announced. You will receive an email in early December with details of the Fan Bus schedule and cost.

Calendar: Always check the calendar on Waconiachoirs.org because the schedule is subject to change.

Glow Stick etiquette: Glow sticks will be distributed to Waconia fans just before one of our groups perform. Wave your sticks at shoulder high, and always pick up and discard properly when finished.
